Progression

A substantial number of students progress to university each year. Popular undergraduate courses include Sports Science, Sports Development, PE Teaching and Sports Psychology, as well as Business and Management programmes.

Other learners progress to work or on to an apprenticeship.

Why YORK FUTSAL?

York Futsal (C.I.C) is a Futsal Community club based at University of York.

Established over 8 years ago under the University of York, the club has achieved success in becoming champions of the FA National Futsal League North 2014/15 and 2015/16 seasons, and is now an established club playing in the highest levels of competitions in the UK.

Our mission is to increase participation in the sport of futsal and to develop players within our pathway enabling them to realise their dreams of playing at the highest level.

Everything we do is built on the foundation of our core values: Respect, Dedication, Humility, Magnanimity and Unity.

York Futsal competes nationally and internationally, offering players fantastic experiences where they can taste the sport of futsal in an amplified context.

As well as having excellent facilities, including a full sized international standard court, gym, swimming pool, athletics track and more, the unique location of University of York West Campus gives students a sense of what university life is like.

York Futsal offers comprehensive support for players with Sports Therapy, Strength and Conditioning, Nutrition, Performance Analysis, Goalkeeper Specific training, and knowledgeable/highly qualified futsal coaches.

The support of our facilities partners, York Sports, also provides outstanding work experience opportunities to the students at the University campus.
